Ovation reserves the right to review the exchange rate should it vary by more than 10% on rate as at January 2011. Offer valid for travel in 2011 and on selected dates in 2012.

## Day 1 – Welcome to Ireland

Guests arrive into Ireland and are met at the airport by our local guide who will give them a warm and welcome introduction to Ireland. The first port of call will be the deluxe surrounds of the 5\* opulent Ritz-Carlton, set in the grounds of one of the most scenic and historic estates in Ireland in the County of Wicklow, known as the Garden of Ireland. In the evening we relax gently into the program with an early evening buffet at the hotel and some light entertainment.

## Day 2 – Get to know Dublin

Our trip directors will escort groups into Dublin city centre to kick off the day of activities. Guests will enjoy an informal behind the scenes overview of Dublin, this includes trips to the magnificent Dublin Castle and the must see Book of Kells. It's not all history though, guests will also get time to enjoy a pub lunch and learn how to make an Irish coffee in one of our traditional pubs. That evening, we transfer to Ireland's most celebrated mountain top pub, Johnnie Fox's, to take part in the pub's legendary night of music and Irish dancing.

## Day 3 – The fun stuff

Today, we start off with a visit to the iconic Guinness Storehouse and learn how to pull a pint of the black stuff. Continuing on this theme, we move on to the Old Jameson Distillery where they enjoy a tour and tasting session. Guests then enjoy some free time in downtown Dublin to shop, discover their own hidden gems or create their own Irish stories! This evening is also spent at guests own leisure, but be sure to get some top tips from our experienced trip directors!

## Day 4 – A farewell to Ireland

Another day at leisure, this time to explore the countless wonders of County Wicklow. Live the life of the country gentry with fly fishing, croquet and equestrian sports or take an active approach to the hills and mountains of Wicklow by taking off on bicycle or on foot. Two 18-hole courses will satisfy the needs of golf enthusiasts while those who wish to take a more relaxed approach to The Ritz-Carlton Powerscourt can indulge at the 30,000 square foot spa by ESPA. For their final evening in Dublin, guests enjoy a traditional Irish celebration with the best of local entertainment and amenu championing the best of local produce – we promise it will be night to remember!

## Day 5 – Departure Day

Alas, it is time to depart, we hope you have enjoyed your time in Ireland; we wish you 'Slán go fóill' and hope you created some very special memories.
